"Expand Your Network and Explore Hot Topics Through Round Table Discussions"

What are the hot topics that you need to address in the new year? Who do you turn to when you need answers, tools, or an idea exchange regarding your work? Would you like to expand your professional network to help you reach these goals?

We invite you to strengthen your professional network from acquaintances you have made to colleagues you can rely on. Participate in a round table discussion to address your interest or need:

Leadership, Instructional Design, e-Learning,
Managing Transition, Talent Management

Sign up for your preferred table topic at registration, and join a focused discussion on challenges, success stories, tools, strategies, and the business impact of our work in this area.

We look forward to seeing you in the New Year!
